

## Grand Knights Message

My Brother Knights,

I hope you and your family had a wonderful Easter Season. I wish to thank all the brother knights and their families for making the events, including the Lenten Dinners, Easter Egg Hunt and Roadside Clean Up the success they were. With your continued support we will continue to be the council that ROCKS. With that said I would like to take a few minutes to discuss where we go from here. As Grand Knight this is my opinion only and does not reflect the opinions of the other officers, the state or Supreme, nor does it reflect on how things have been done in the past. As the council transitions into a new group of officers come July 1st and as the council strives to attract new younger members the council members need to be open to change. I will try to address this on two fronts. First, we live in a fast paced, do it now type of world and if it can't be done on your phone or you iPad or tablet it can't be done. Conversations are now handled through text messages, emails or twitter feeds. Right or wrong that is the world we live in and we as a council need to accept that. Hopefully, the new incoming officers will be younger and with that they will need to balance their obligations between the council and their families. There will be times when the officers cannot make the events or the meetings. That is when we will have to pull together to support them. The meetings themselves MUST be short, sweet and to the point. Every member has a right to voice their opinion or observation, but it needs to be done in a way that keeps the meetings moving. The biggest complaint over the years has been the length of the meetings, not only by the younger members, or ones who work all day, but by all the members in general. In addition, the council needs to look at the events themselves. While they on the most part have been successful over the years, they may have to be tweaked a little to be more user friendly. Secondly, we need to embrace the technological changes that have been put in place. The e-membership is a success, if used. The landing page is a success, if used. The e-membership card is successful, if used. These quick sign-up tools are what we need to use to attract new members especially the younger ones. This type of recruitment is what they understand and are used to. The council needs to accept that all forms and communications from the state, Supreme and council will now be delivered electronically with very few exceptions. We that said I know this council will as I know we are the council that ROCKS!!

In keeping practicing what I preach, I will wrap up my message briefly. The Seniors breakfast was canceled due to lack of candidates (3) in the scholarship process. Dan Beck and I will be attending the State Convention on May 3rd through the 5th. I will make a brief appearance at the Father Bob Wild Game Barbecue on the 3rd before heading to the convention in Philly. We will be nominating officers at the May meeting and looking for a potential replacement for Warden. The Knight of the Month was Tom Gorman and the Family of the Month was Scott and Amy Snyder.

*Vivat Jesus!*

*Sam Bongiovano, GK*

**Remember to continue to look and invite new men to join our council....**

## Deputy Grand Knights Message

Brother Knights,

**Happy Easter!** Please take a moment to read the Knight Edition for our upcoming events. In addition to Fr. Bob's Wild Game BBQ on 5/3 and Memorial Day Rest stop on 5/25, we may be asked to help with some work on the small school playground next to the rectory.

Couple things in June to think about and put on your calendar. We will be holding a Bingo for Babies on June 9th in the Capitani Social Hall. Then we have scheduled a food drive at Wal-Mart for our food pantry on June 22nd.

*"Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is not here; He has risen"*

*Peace,*

## Pro Life Report

Brothers,

The Respect Life Ministry will resume the Rosaries for Life on Sunday, May 19<sup>th</sup> in Our Lady's Chapel right after the 9:00 Mass. The more Knights, the better!

On Good Friday, 55 Christians from a number of churches and a handful of denominations prayed a Pro-Life Stations of the Cross while walking behind the Cross around Planned Parenthood, York. It was wonderful to have families join us. It was great, also, to see Knights from #8891 and other York-area councils participate.

In this edition, you will see a flier for a BINGO for Babies at St John the Baptist on Sunday, June 9<sup>th</sup>. Funds raised from this effort will all go to support our Pro-Life activities on S. Beaver Street, York. Get your wives to come out, oh, Knights are welcome, too.

MOVIE TIME: EWTN will feature two outstanding movies in their May lineup.

On May 5, 1:30 P.M. they will show A WOLF IN SHEEP'S CLOTHING a look back on the life, ideals and works of the 1960's community activist Saul Alinsky through the lens of a Catholic perspective. (90 mins.)

On May 10, 5:30 P.M they will show I LIVED ON PARKER AVENUE the story of a college student who tracks down his birth parents. This is a riveting documentary about a mother's agony in choosing what's best and a young man's search for where his life began. (30 mins)

Here's a shocker for you, Brothers. The Massachusetts legislature is now working on a pro-abortion bill (that's the only way to describe it). They seem to be trying to catch up with New York in the quest for THE ABORTION TROPHY.

They propose to:

- Allow abortion during 9 months of pregnancy for virtually any reason,
- Eliminate any requirements that an abortion be performed in a hospital,
- Eliminate the requirement that provides medical care to a child who survives an abortion attempt,
- Eliminate the requirement that a minor, under the age of 18, have the consent of a parent, guardian or courts,
- Provide state funding to mothers who cannot afford the procedure.

Some would ask, "Why do you care about this, it's none of your concern?" John Donne expressed the "why" better than I can in his NO MAN IS AN ISLAND. entire unto itself. It ends with:

Any man's death diminishes me  
Because I am involved in mankind  
And therefore, never send to know for whom the bell tolls,  
It tolls for thee.

## Council Activities - Perspectives from the Chancellor

*the answer is you!*

So, what is the question(s), I'm sure you are asking. I'll get to that a little later.

As I write this penultimate message, I'm reflecting on the role of a Chancellor and what it has meant to me this year. As I stated at the very first General Meeting, the Chancellor's duty is to strengthen member's interest in council activities. In every message that I wrote and every report that I made at a General Meeting or Business Meeting, my objective was just that...

There is never a doubt about the importance this Council plays in our parish and community. The important work (council activities) that is accomplished, both directly and indirectly, is unmeasurable. All of our important work (council activities) is made possible through your ongoing efforts, dedication, and support as a member of this Council.

Thank you for your on-going and continued support and your unfailing commitment to our Council; the answer is you.

At the April General Meeting, I undertook an exercise to further strengthen member's interest in Council Activities. I first asked, "Who undertook the Lenten Challenge that I put forth?" I saw a whole lot of blank stares! And that was after our Recorder read it as part of the February Minutes; AND it also appeared in the Chancellor's Message in the March Knights Edition. So what was the challenge? Well, it was to attend our own Council Activity – the Novena for Life Prayer and Rosary that took place over nine (9) consecutive Sundays. The challenge – attend just **ONE** Sunday! **ONE** out of nine – that was too much to ask, I guess... My thanks to Rob Galante for taking on the challenge! Of course, there were several members who participated in almost every Sunday – and their voices, raised in prayer, filled the Chapel...

Subsequently, I asked the question, "What is the most important event/program supported by this Council?" I gave some time for everyone to ponder the question; I even mentioned that it is a question that we normally do not consider.

Given some time to ponder, the following list was generated. Once the list was completed, I gave every member two votes in order that they could place emphasis on what they, as one member, felt was most important. Not everyone voted. Some stated that they couldn't select just the two most important; others stated that all of our council activities are equally important; still others just passed.

Study this list:

<u>Event/Program</u>	<u>Votes</u>
Rosary before General Meetings	1
New Life Christmas Program	3
Thanksgiving Lunch at John Hopkins Children's Hospital	0
Food for Families	13
40 Days for Life	4
National Right to Life March (DC)	8
Seminarian Raffle	2
Memorial Mass	3
Membership Promotion	0
St. John's School Support	7
Active Participation in the Mass	2
<b>TOTAL</b>	<b>43</b>

As the facilitator and recorder, I attempted to capture what I heard. What strikes you about this list? Given all that we do, what is missing? What would you have added/voted for? Would you have added: Family of the Month or Keep Christ in Christmas? As a participant, I would have added the religious education retreats that we undertook under the Domestic Church Initiative and given it both of my two votes. So, how does this list reflect our work efforts as a council; where you are placing your time commitments?

My Observations: Two items are listed as important but received no votes; not even one from the member that listed it. If every one of our activities is equally important, then why didn't this list include each and every one? If given an opportunity to express what is really important, why would anyone just pass? During the past several meetings, we even discussed dropping the New Life Program, yet it was listed and received three votes.

### **Council Activities - Perspectives from the Chancellor** (Continued from page 3)

And how great are the seven (7) votes to support our school; however, when it was announced that the April 27th School Dinner-Dance-Auction needed program support from our Council, there was no attempt to organize that support. Can we do better?

Food for Families – 13 votes (nearly 33% of all votes). Yet how many members bring can-goods and food items to every meeting? How many members volunteer to support the food drives? Can we do better? Put June 22nd on your calendar – it is the next food drive date.

Twelve (12) votes addressed pro-life activities. Yet how many members have participated in the 40-days for Life Program or took a day off to travel to D.C. in January?

And what is NOT LISTED -- how about the pro-life program that is undertaken each Wednesday across the street from the Planned Parenthood Center – it is the one and only program that has already and will continue to **save lives** -- BABIES LIVES! (**Note: I specifically requested that Tom Evans not add this program to the list; the intent was to see if another member would**).

Have you visited the apartment; ever wonder how all of the bills get payed; or prayed the rosary on the third Sunday of every month? This June, Tom and Pattie Evans will have completed four (4) years there. Can we do better? Put Sunday, June 9th on your calendar – it is Bingo for Babies to support this **important program**.

Now, this was an exercise to get us all thinking more about Council Activities. As the facilitator, I picked up on frustration, disgust, and some feedback that it was a big waste of time. Nonetheless, I also picked up on interest, wonderment, and some feedback that it provided a reflection on who we are and what we accomplish. My hope is that as members left the meeting, they gave some thought to our council activities; my greater hope is that after you have read this message, that you too, will give some thought to our council activities. Lastly my hope is that we all begin to reflect more on our council activities and how best to support them; the answer is you.

By now, I'm sure that you realize from some of my past messages that I travel with John Denver – well his music, at least... In one of his songs, he sings:

'Do you care what is happening around you? Can you understand the need to carry on?'

So, these are two very insightful questions. ARE YOU THE ANSWER?

Some of YOU did respond to those questions when YOU made major contributions of time and effort in support yet another **Council Activity** – the Lenten Dinners. All too often the lack of comprehending the amount of time and effort is taken for granted; all too often those who contributed are overlooked or barely recognized. In this case, it was different! Carefully read the following Lenten Dinner THANK YOU!

John Denver concludes his song with the words:

*'A part of everything is here in me.'*

Make a part of everything your family, your parish, your community, and your council. Are you willing? That is also my hope.

*Bob - bobandcarolk@comcast.net*

### Food for Families Report

Brothers,

The Food for Families effort continues on thanks to the generosity of the council. Our recent food donations of 26 pounds and \$10 at our last meeting (Thanks Gene) our total for this fraternal year now stand at 2,100 pounds of food and \$2,121.25 in money for the pantry. Good job everyone!

I would like everyone to bring at least one non-perishable and non expired food item to the next meeting. The Food Pantry needs **canned chicken, spam**, canned soup and beef soup, applesauce, fruit jelly in plastic bottles, pancake syrup and box mac and cheese.

You may also drop off larger and perishable donations directly to the food pantry. If dropping off to the pantry directly between the hours of Monday-Saturday 9am to 11:30am or by appt 717-235-6370, please let them know that it is a donation from the Knights of Columbus for us to capture our effort.

*Thanks and God Bless,*

### 2019 Men's Retreat - Save the Date

The diocesan Men's Retreat is planned for the weekend of Friday, August 2 thru Sunday, August 4. It will again be at Mount Saint Mary's in Emmitsburg, Maryland. This year's theme is "*The Gospel Toolbox*".

Guiding us in this retreat will be the Reverend Bill Garrott, OP, out of Charlottesville, VA. At the parish Advent mission last year, he packed Corpus Christi in Chambersburg beyond capacity all 3 nights with inspirational talks and great music.

This is the link to more information about him. <https://dominicanpreaching.wordpress.com/> If you have younger friends or family members you might think about inviting them. It looks like he connects well with them.

Any men over 17 are invited and if you are 14 to 17 you may attend with a parent, grandparent, etc. You do not have to be in our parish or diocese.

More information will be coming out later.
