

## Grand Knights Message

My Brother Knights,

The holidays are right around the corner and the council continues to run on all cylinders. I want to thank Don Vosnick and all the council members who made the Italian Dinner a success. We were up against the home coming day's for Susquehannock High School and Penn State and still managed to clear \$700 for the Fr. Paul Theisz education fund. The one thing that came out of this was the success of the event could be attributed to advertising, advertising, advertising. I also want to thank John Wargo and Bob Karotko and their lovely spouses for doing the road side cleanup on Friday, October 19th after the roadside cleanup was rained out the previous weekend. If there were other volunteers who helped with the roadside cleanup, you have my thanks as well. Thanks to Tony Steinauer for volunteering to help with membership. Thanks to Dan Beck for taking the Faith Director's position. Thanks to John Nycz for spearheading the Football Sweepstakes. We did a little better than last year but still could use a little more council member participation. COAL sales are on track to meet or exceed last year's sales. These are all examples of council members coming together to make the council a success. With that said we have one piece of the puzzle left and that is Family Director. This position would require a background check. Within that position you would work with the Youth Director. This position is not one where you would work alone. Faith, Youth, Community and Family work hand and hand within the council to participate in "Family" activities. If you are interested, please email me or talk to me at one of the meetings. Going forward the two youth related activities we need to get scheduled is Keep Christ in Christmas and The Basketball Free Throw contest. The Knight of the Month was Bob Karotko and the Family of the Month was Carl Freidhoff.

Finally, included in this newsletter is an application to join the Father McGivney guild. Joining the guild is free and gives you insight on the founder of our order. The guild also works towards Father McGivney's canonization. Please consider joining the guild. I will end my message with the prayer to Father McGivney:

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Father Michael J. McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present (*here make your request*). Through Christ our Lord. Amen.

Remember: Membership, Membership, Membership. It is the lifeblood of our organization!! There are now e-membership cards and brochures in the council mailbox in the parish office. **Council 8891 ROCKS!!!**

*Vivat Jesus!*

## Pro Life Report

Brothers,

I seldom go to the movies and even less seldom recommend one, BUT, I highly recommend "GOSNELL" a depiction of the trial of Dr. Kermit Gosnell who ran an abortion mill in Philadelphia. It's not at all gory, but it IS shocking. Dr. Gosnell was found guilty of three first-degree murders of babies, one count of second-degree manslaughter, and 21 felony counts of late-term abortions. They never bothered hitting him with all his financial crimes, egregious enough to put any one away for life. The shocking part of the Kermit Gosnell story is that so many people became aware of what was going on in his clinic but no responsible authority stepped in to stop him.

Beside all the criminality he introduced into his abortion practice, he had a side business of selling prescriptions. At times a 16-year old high school girl who's mother worked at Gosnell's "Women's Medical Society", was the only employee in the facility (sometimes with patients upstairs). She sold prescriptions for Vicodin, Percocet, OxyContin, et al. So egregious was this enterprise that local pharmacists stopped filling prescriptions from Gosnell's clinic. At some point, this caught the eye of the Drug Enforcement Administration. The DEA, along with local police were the ones who finally raided the facility. They uncovered a lot more than a drug enterprise. What they uncovered sickened them. "GOSNELL" is the story of what they found and the public blind eye to his crimes for 17 years. Imagine there being NO INSPECTION by anyone for 17 years. For 15 years there was no board-certified OB/GYN on staff, which is a state health requirement.

As good as the movie is, it couldn't squeeze all of Kermit Gosnell's nastiness into 90-100 mins. Should you want to get even more familiar with this guy and all of the people who gave him a pass, I recommend you read the Grand Jury report that prompted his trial. He's a lot worse that the movie made him out to be.

Maybe you have never heard of Kermit Gosnell. That wouldn't surprise me. Almost all of the main-stream media ignored the story completely. After all, if they don't report it, it never happened. That attitude persists. Very few outlets will sell advertising time to the producers. You have to seek this one out to see it. Pattie and I saw it in Hanover. Ping on our local theaters and ask them when they are going to show it.

Please try to see "GOSNELL", it will open your eyes as to what is going on that is not openly publicized.

Upcoming Pro-Life events/activities:

- **Nov 18** - Respect Life Rosary in Our Lady's Chapel, right after **the 9:00 Mass**
- **Nov 29 to Dec 1** - Rachel's Vineyard Retreat, Columbia, PA. Think about participating in the vigil hours of adoration.
- **Jan 18, 2009** - National Right to Life March in Washington, D.C. We have booked one bus this year.

## Chance Of A Lifetime (COAL) Raffle October Update

The 2018 COAL raffle is running on course very similar to last year, actually only a couple books different from last years count at this time. We still have a ways to go to meet and hopefully exceed the 2017 campaign. To date 234 members have received 3 books in our August Knight Edition mailing and 63 members have participated purchasing 207 books. The COAL raffle proceeds benefit both the State Scholarship fund and also our council, #8891, with roughly \$2.75 a book coming back to Council #8891.

The cost of an individual chance is \$1.00 per ticket, an entire book of 8 chances can be sold/purchased for only \$6.00 (a \$2.00 savings), or a half book (4 chances) can be sold/purchased for \$3.00 (a \$1.00 savings). Or you can purchase three books for \$17.00 (a \$7.00 savings).

Extra books are available in the envelope in our K of C mail slot in the Parish Office or from Barry at the meetings. You can turn in the sold books (1) at an upcoming General Meeting or Business Meeting, (2) in the K of C mail slot in the Parish Office, or (3) mailed back to the Council using the addressed envelope included with the COAL books in last August Knight Edition.

*Thank you for supporting this very beneficial campaign,  
Barry Price, COAL Chair – 717.793.0217*

## Food for Families Report

Brothers,

The Food for Families effort continues on thanks to the generosity of the council. With the 10/20/18 WalMart food drive collections of 1,252 pounds and \$780.55 and recent food donations of 132 pounds, and \$20 collected at the general meeting (thanks Sam), our grand totals for this fraternal year now stand at 1,880 pounds of food and \$ 1,611.25 for the pantry. We also passed on the Supreme Food for Families last year rebate of \$500.00 to the Pantry. Good job everyone! The weather cooperated with a cool start giving rise to warm and sunny afternoon. Thanks to all those who came out to assist with the effort. We are grateful to have such a generous community in support of our effort.

I would like everyone to bring at least one non-perishable and non expired food item to the next meeting. The Food Pantry needs canned tuna in water or chicken, spam, canned green beans, canned soup, oatmeal, box cereal, ramen noodles, cake mixes and icing. The pantry will also accept whole fresh or frozen turkeys, turkey breasts, roaster chickens or related store turkey vouchers or turkey gift cards.

You may also drop off larger and perishable donations directly to the food pantry. If dropping off to the pantry directly between the hours of Monday-Saturday 9am to 11:30am or by appt 717-235-6370, please let them know that it is a donation from the Knights of Columbus for us to capture our effort.

*Thanks and God Bless,  
Joe Grohal*

## Council Activities - Perspectives from the Chancellor

### Thought Determines Action...

How many of you saw the surprise look on my face at the last General Meeting? I posed the question, "How many of you have not looked at the 32 activities under the Faith-in-Action Program?" I was truly surprised and pleased that **less than one-half** of those in attendance had not looked at them – as of YET! I asked the question because we have completed the first quarter of the fraternal year and my job is to excite and increase YOUR interest in Council Activities. Well, I have a ways to go, but we are off to a pretty good start...

So, let me ask those who have not looked at the 32, to please look at them AND then give each some THOUGHT. As you reflect on each and give it thought, one or more just might speak to you – and if it does, please ACT on it...

A great example of 'thought determining action' was the super array of gifts brought to the last meeting to help Santa provide the kids with men's Christmas items. And let me say that the ladies organizing the Men's Santa Helper Gifts were delighted and very pleased because they now can provide: an AB Wheeler, 4-piece Raven BBQ set, 14-piece premium BBQ set; a patchwork puzzle game, crock pot, Raven helmet snack bowl, Raven baseball hat, Chico's 35th Anniversary chain, craftsman tool bag, 25ft. tape measure, a pair of performance gloves, Stanley 6-way screwdriver, three LED flashlights, Rayovac Brite Flashlight, Aspen flashlight, two pair of thinsulet gloves, three trifold leather wallets, two 'fun & flexible' key chains, silicone calculator, two Stafford white shirts, one coffee mug, one ½ cup mug, one pair hiking sock, 4-piece ballpoint pens, two re-useable hand warmers, LED lead lamp, two candy dispensers, and one magic tape dispenser & tape. Need I say that when you think of something, a lot can happen...

On Saturday, October 20, 2018, we picked up two (2) more credits thanks to Joe Grohal's fine work in organizing the Food for Family food drive. The Family of the Month gives us yet another credit. Kelly Brown is running with the Thanksgiving Dinner at John Hopkins for one more credit. See how they add up!!

So, who will run with 'Keep Christ in Christmas' for one credit? How about the 'Free Throw Contest' for one? If we ACT together we can attain some great accomplishments. So here we are with an ability to attain at least seven (7) credits by the end of the year!

In January the 'March for Life' gets us two more credits. And has anyone given thought to the 'Novena for Life?' These two activities combined would provide a very spiritual and powerful experience. And provide us with an opportunity to attain the Columbian Award – do we want to set this as a goal???

Given our membership of over 200 hundred, and if we each give only some thought to what we might act on, OUR accomplishments would be incredible. Remember, a little bit of time and loving sacrifice will bring JOY too many in our families, parish, and community.

THINK, ACT, AND LET ME HEAR FROM YOU...

*Bob*

## Italian Dinner Wrap-up

The Italian Dinner of 2018 was an improvement over 2017. It was not a great jump, but it did show signs of an upward trend. It is a difficult event to sale because many people believe it is inexpensive to provide a spaghetti dinner. That is true, if large cans of commercially prepared spaghetti sauce are used. Of course that sauce does lack the authenticity of a homemade sauce. Unfortunately, that is what many people think of when they hear of a spaghetti dinner. The idea of the dinner being inexpensive to prepare is a myth in reality. That myth is what has resulted in our low pricing. We do not make very much on an individual dinner. Hopefully, people will recognize the difference. As it is now, we rely on volume. Our meatballs are all hand made using top quality meat. The reason they are good is we start with quality ingredients. Speaking of meatballs, I want to thank some very special people who came to make 350 meatballs for the event and help make 14 gallons of sauce. Thank You to John Green, Bob Karotko, Carol Karotko, Barry Price, and Shirley Wargo; you did an outstanding job of making 350 super 2 ounce meatballs.

In all we sold: 96 spaghetti dinners, 33 spinach ravioli dinners, 188 meatballs, and 50 salads. We need to double that number in the future. How? Maybe we need more word of mouth requests. Diane Skirpan did a great job of getting the information out in numerous bulletin articles and posting on the Church website and facebook page. When you see Diane, please thank her for her support and efforts.

### Faithful Navigator Message Fr. Cyril J. Allwein Assembly #944

I've just returned from the 4th Degree Exemplification in Grantville where 84 men became Sir Knights. It was a great time to meet with Sir Knights of other Assemblies and "compare notes". We are all facing many of the same issues –so it was good to hear we are not alone. Recruiting and keeping active members at the Assembly and Council levels is a concern facing all of us. While no one had the "magic bullet", a common theme was to stay active, but not too active, and to let our actions speak for themselves. It reminded me of the old song, "They will know we are Christians by our love". Self-promotion is something that is very hard to do for many of us – but we need to make sure others are aware of what we, as KNIGHTS OF COLUMBUS, are doing.

It is NOT too early to start recruiting for the next 4th Degree Exemplification which will be held early November 2019. Current plans are for a Saturday event and the location is still being worked out – as the hotel in Grantville is under new ownership. Remember we cannot have 4th degree candidates without having 3rd degrees and cannot have 3rd degree without 2nd degrees and so on. So we need to be focusing on finding men for all degrees. So – when was the last time you INVITED someone to join the Knights of Columbus??

Finally, I would like to Thank St. Vincent's Council for hosting our October meeting and our next meeting will be at Abbottstown on November 15th. Please make an effort to attend the meeting.

*Steve Arthur, FN #944*
